Relevant Experience

Recently joined from senior planner position in planning consultancy. Has experience of dealing with a wide range and variety of planning projects in both the private and public sector.

Project Examples

Lloyd Maunder – 15 hectare food park and housing development outside the settlement boundary being promoted through the Mid Devon LDF.

Frome Regeneration – Mixed use regeneration site adjacent to Frome town centre including Listed Buildings and mixed ownership constraints.

Feasibility Studies - Holly has been instructed by a number of agents which have been seeking planning input into reviewing existing property portfolios for NHS Trusts and education bodies. These reviews have been undertaken to ascertain and realise the value in redundant property assets.

Production of the Strategic Environmental Assessment and Statement of Community Involvement for the Cheltenham LDF.

Appearance on behalf of the Council at both Cheltenham and Stroud District Local Plan Inquiries.
