Relevant Experience

Jon has a good working experience of buildings archaeology and historic architecture gained through a wide scope of projects and professional experience in the private sector. Jon heads the recording and analysis team at CgMs. His main responsibilities include assessments, appraisals, recording and analysis of historic buildings, conservation areas and industrial archaeology. Projects range in scale from individual or groups of buildings, to large industrial, military or man made landscapes. Jon has experience of listed building and conservation area legislation and a good track record of discharging historic building recording conditions.

Project Examples

Bramshill House Conservation Plan - Historic analysis and assessment of significance of Grade I listed Jacobean Mansion.

Battersea Power Station - Consultancy, Assessment and Recording of Grade II* listed building and plant in advance of redevelopment. Included Environmental Impact Assessment.

Greenham Common Airbase - Recording and analysis of all Strategic Air Command, RAF, USAF and Cold War structures (hangars, wall art, maintenance depot and Cruise Missile buildings).

Westminster Abbey - Building recording of the South Aisle roof in advance of repair work.

HM Prison 'The Maze' (including RAF Long Kesh and army barracks) - Built heritage assessment, record and advice to the Office of First Minister and Deputy First Minister and Environment Heritage Services of Northern Ireland to inform Heritage Protection and land disposal.

Bow Street Magistrates Court & Police Station - Detailed assessment and advice on Grade II listed building in support of conservation led redevelopment and extension as a hotel.

Former Harris Lebus Air Raid Shelters, Tottenham - Detailed assessment and recording of 3000 man WWII shelter replete with control room, first aid room, toilets, bunkbeds, wall art and artefacts.
