Chiswick High Road

Proposed redevelopment scheme including retail store, office and flats.

Client

LMC

Location

104-108 Chiswick High Road

Services Provided

Planning

Date of Completion

On-going

This scheme involves the redevelopment of a Victorian building which Hounslow Council would prefer to see retained. An appeal against the refusal of planning permission was dismissed on grounds of massing, scale and detailed design but the principle of redevelopment was accepted by the Council at the Inquiry and endorsed by the Planning Inspector.

The appeal enabled a number of issues to be resolved and a revised scheme with a similar mix of uses is now being discussed with the local authority.
