Need case for new building

Grade one listed building

Scheduled Ancient Monument

MOL

Registered Park and Garden

Conservation Area

National and international
importance

CgMs are advising Historic Royal Palaces on a proposed new building to the rear of the Orangery for urgently needed new accommodation at Kensington Palace. The new building is in the MOL, a scheduled ancient monument, a conservation area, a registered park and garden and it adjoins a grade one listed building.

CgMs is advising on both the planning and heritage issues
